Dr. Peter Scott Geissler, M.D., Ph.D., Esq, holds academic degrees from Stanford University, University of California (*Berkeley*, *Davis* & *Irvine*), Yale University and University of Cambridge.

Dr. Geissler holds professional qualifications as a civil engineer (*California*, *Washington* & *Tennessee*), mechanical engineer (*Washington*), student research psychoanalyst (*California*), and European trademark attorney (*Malta*).

Dr. Geissler has been approved as a court-appointed civil mediator in the following jurisdictions.

- General Civil Mediator – United States District Court, District of Idaho
- General Civil Mediator – United States District Court for the Western District of Pennsylvania
- Civil Mediator – Superior Court of California, County of Amador
- Civil Mediator – Superior Court of California, County of Contra Costa
- General Civil Mediator / Rule 31 Neutral – State of Tennessee, Supreme Court of Tennessee
- Civil Mediator – Superior Court of California, County of Fresno
- Civil Mediator – Superior Court of California, County of Yolo
- Civil Mediator – Superior Court of California, County of Solano
- Family Mediator / Rule 31 Neutral – State of Tennessee, Supreme Court of Tennessee
- Appellate Mediator / Rule 37 Neutral – State of Tennessee, Court of Appeals for workers' compensation appeals
- General Civil Mediator / Registered Neutral – State of Georgia, Supreme Court of Georgia, Registration No. 35850
- Civil Mediator – Superior Court of California, County of Butte
- Civil Mediator – Superior Court of California, County of Nevada
- Civil Mediator – Superior Court of California, County of Tuolumne

Mediation seems to be a good fit for the uncommon Dr. Geissler. He makes light of the fact that for years people have told him that his ". . . opinion is of no value; now the Supreme Court agrees!" Indeed, Dr. Geissler has the broad perspective required of a good-humored mediator and yet is extremely well-versed in the lexicon of inter-personal conflict.
