# MOTION TO AUGMENT RECORD ON APPEAL (DOCUMENTS REQUESTED) - INSTRUCTIONS

After the record on appeal is filed, you might discover there is something missing from the record that you think the court should consider when deciding your case. If you do not have copies of the documents you want to include, you may make a Motion to Augment Record on Appeal (Documents Requested). (CRC Rule 8.155(a)) (See sample below.)

If the court grants your motion, the Superior Court clerk will give you an estimate of how much it will cost to copy the documents you list to be included in the record. If you do not pay it, you will be placed in default.

#### File:

Original plus 1 copy (provide an extra copy to be file-stamped for your file) OR e-file an electronic copy with the Court of Appeal.

#### MEMORANDUM OF POINTS AND AUTHORITIES

# AUGMENTATION SHOULD BE ORDERED TO ALLOW APPELLANT TO RECEIVE FULL AND FAIR APPELLATE REVIEW

Rule 8.155(a) of California Rules of Court permits the augmentation of the appellate record and specifically under Rule 8.155(a)(1) allows a certified transcript or document not designated under Rule 8.130 to be augmented and permitted. It is well established that this rule is to be construed liberally. (*People v. Brooks* (1980) 26 Cal.3d 471, 484.)

The need for augmentation here is compelling. Appellant believes the trial court erred in granting summary judgment based on its own determination of the credibility of conflicting declarations. The issue can only be reviewed on appeal if the reporter's transcript of the court's comments before ruling is part of the appellate record.

Not only is augmentation necessary, it will not prejudice any party. The augmentation request concerns documents which were all part of the record. Additionally, the augmentation will not cause a substantial delay in this appeal.

## **CONCLUSION**

For the above reasons, this Court should order the record to be augmented on appeal by including the reporter's transcript or document(s) requested in this motion.
